Andy Gump, an office slave, plays with a kitten on his desk. The boss, seeing the kitten on his elbow, thinks he is working too hard and gives him a half holiday. Andy takes the kitten under his coat and goes out. In a department store a mouse runs by his trouser leg and becomes engaged with the cat. Andy gets the heeby-jeebies and wrecks the store.

He drops into a chair full of glue. When he gets up he takes the springs with him and goes bounding around town until the springs get caught on the rail of a bridge when he dives to save a swimming man. He loses his pants and starts back in a barrel but is not by Min and Chester in their car. They take him to the beach where he puts on a bathing suit and plays blind man's bluff with the bathing beauties during the absence of Min. First one he kisses is a cop. The second is Min. In the end he is blindfolded.

Andy Gump, an office slave, plays with a kitten on his desk. The boss, seeing the motion of the elbow, thinks he is working too hard and gives him a half holiday. Andy hides the kitten under his coat and goes out. In a department store a mouse runs up his trouser leg and becomes engaged with the cat. Andy gets the heeby-jeebies and wrecks the store.

He drops into a chair full of glue. When he gets up he takes the springs with him and goes bouncing around town until the springs get caught on the rail of a bridge when he dives to save a drowning man. He loses his pants and starts home in a barrel but is met by Min and Chester in their car. They take him to the beach where he puts on a bathing suit and plays blind man's buff with the bathing beauties during the absence of Min. The first one he kisses is the cop. The second is Min, to whom he makes love before she rips off the blind fold.

Chester covers Andy with sand and then adds some Portland cement leaving his father embedded in concrete. The rescuers are compelled to blast him out. Min objects to having her husband broadcasted, but a moment later he is "on the Air" and in another moment they are digging him out of the sand.
